Close to Trillium Hospital Bus Terminal

Family Medicine Teaching Unit

Please Note: Dr. Omar Elmasry (101 Queensway West, 5th floor) is also accepting new patients. Please call the Central Clinic at 905-272-9700 for more information or to schedule an appointment.

Please read carefully:

- As part of the Family Medicine Teaching Unit, you will play a crucial role in the education of future doctors! That means that you primarily see your family doctor, but medical students and resident doctors - who are supervised with the use of secure video monitoring - will be involved in your care.
- Please note that our primary goal is to support patients in the community who do not have a family doctor. Therefore, we are not accepting transfers from patients who have another local family doctor, including from other Summerville sites or resident practices.

Call 905-272-9900 ext. 7 to book your appointment!
